

What to Wear on Performance Day

What to wear?

For all band performances where the uniform is worn, black under garments are required. Tek Gear and Under Armor are common labels the students wear and are found at most stores. (Kohl's, Target, WalMart, etc...)

- Black Compression shorts/bike shorts. No basketball shorts, please.
- Black, moisture wicking **short sleeved shirt**. **No tanks, sleeveless shirts, or sports bras!**
(A second long sleeved one helps when the weather turns cold, but is not required)
- Solid black socks, crew or knee length.

During practice on the day of a football game, students wear the parade shirt unless the directors have given instructions for specific attire.

What about hair?

No hair hanging out of the Shako (hat). All hair must be able to fit inside the Shako. The girls use lots of hair ties, bobby pins and hair spray. Many of the guys are willing to do the same to their hair. Or, a skull cap is another option. Under Armor does make one in different sizes.

Shoes

One pair of black marching shoes is provided by your band fee to all new members. These will be fitted with your uniform.

Any returning members needing a new pair of marching shoes will be billed through his/her band account.

What if I forgot something?

The uniform moms have a limited selection of items on the trailer to be borrowed and returned. Talk with one of the moms to see if we have what you need.

Donations needed, please!

We are accepting donations of black socks, black compression/bike shorts, black moisture wicking shirts and used band shoes to keep on the trailer. If you have grown out of your band gear, we would love to have it.
