Benefactor Levels – Concert Band

Our concert band students find a place to connect, while growing personally and musically. Private lessons and solo/ensemble experiences are transformational in a student’s musical success. About 10% of our band members need financial support to participate in these opportunities. The Carmel High School Band Boosters feel every student should have the opportunity to challenge themselves. By becoming a Concert Band Benefactor, you help give students these special opportunities.

Etude Benefactor: \$50

This giving level can provide one private lesson and entry into ISSMA solo/ensemble contest.

Concerto Benefactor: \$150

This giving level pays for 8 private lessons (2 months for a student) and entry into ISSMA solo/ensemble contest.

Symphony Benefactor: \$250

This giving level pays for 16 private lessons (4 months for a student) and entry into ISSMA solo/ensemble contest.
